RS-507

TECHNICAL DATA

DESCRIPTION:

RS-507 Clear Penetrant Grease is a clear penetrating/lubricating grease used to lubricate hinges, bushings, gears, joints and chains. This grease sprays out as a liquid to penetrate tight fitting parts and then turns to a gel in 20-30 seconds.

Features

- Packaged in a convenient aerosol with a tube.
- Water resistant
- Body Shop safe; contains no silicone
- Excellent heat resistance
- High Adhesion
- Will not stain paint

RUBBER-SEAL®

Medallion™
Refinish System

Directions

1. Clean as much dirt and grime from area before applying penetrating grease
2. Spray grease on the part and allow to penetrate into hidden areas
3. Work grease into hinges by moving back and forth
